We are a newly formed trio comprised of **Kevin Whalen, Bill Foster, and Paul Tangren**. We are based in the Northern Shenandoah Valley towns of Woodstock and Strasburg, Virginia. Our name comes from a blend of the names of Massanutten Mountain and the Shenandoah River.

As individuals, we have played at a variety of venues in the area, to include: Box Office Brewery, Christina's Cafe (closed), The Woodstock Cafe, the Woodstock Brewery, North Mountain Vineyard, Siblings Rivalry (closed), the Wayside Inn, Bell Grove Plantation, Backroom Brewery, Shenandoah Vineyard, Muse Vineyard, and others.

It is from this wealth of experience that we decided to form this new trio. Our repertoire includes selections from Folk, Country, Rock, Bluegrass, and Originals.

You will find our rates competitive and we can provide our own sound system.

We are looking forward to hearing from you.
